- [Contact Us](#)

**Health coaches are professional health educators who provide lifestyle and behavior guidance to increase your academic and personal success.**

Two types of health coaching sessions are available around a variety of topics:

#### Sexuality/Sexual Health Visits

- Relationships and communication
- Sexual health & birth control education
- Sexuality concerns and issues

#### Wellness Visits

- General wellness
- Healthy eating & physical activity
- Procrastination & time management
- Resilience & stress management

Coaching sessions last 45 minutes and are free and confidential; partners are welcome.

## REGIONAL MANAGER, PATIENT SERVICES

4.4 ★ Morrison Healthcare – Sacramento, CA  
\$44K-\$111K (Glassdoor est.) ⓘ

## Patient Services Manager

4.4 ★ Morrison Healthcare – Monroe, LA  
\$31K-\$70K (Glassdoor est.) ⓘ

Working as a **Regional Manager, Patient Services** on the Patient Dining team, you will have the opportunity to perform a variety of duties to include the planning and supervision of patient food assembly and service at various client accounts, where guidance on our programs or a realignment to program standards is called for. Oversight and recommendation on the scheduling, hiring, training of tray line, diet office and hospitality personnel is included in this role, along with the Morrison team members that will also be present to carry out necessary initiatives. Additionally, as a member of the management team, you will ensure patient satisfaction and good public relations through the safe and efficient use of resources. This exciting position will provide both challenge and satisfaction while allowing you continued career growth.

**Key Responsibilities:**

- Establishes goals and oversees implementation of patient food services needs based upon medical direction, patient population and contract
- Hires, leads, directs, coaches, trains, and develops patient services team members
- Complies with dietary restrictions on special or modified diets to ensure optimal food preferences are met within guidelines of diet order limitations
- Complies with regulatory agencies, including federal, state, and Joint Commission as evidenced by successful completion of surveys with no deficiencies
- Visits patients on an assigned nursing unit or area and helps ensure that every patient is visited by a member of the management or professional team at least once during their hospital stay
- Ensures patient services staff assists in achieving stated patient satisfaction goals
- Participates in facility-wide and department Performance Improvement Program and on Performance Improvement teams to improve processes and patient care
- Follows facility, department, and Company safety policies and procedures to include occurrence reporting
- Participates and attends all departmental meetings, staff development, and professional programs, as appropriate

**Preferred Qualifications:**

- B.S. Degree in Food Services Technology/Management, Dietetics or related field; or Associate's Degree plus three years of directly related experience preferred
- Minimum of three years of acute or long-term care experience preferred, depending upon formal degree or training
- One to three years of direct foodservice operational management experience, preferably in an acute or long-term care setting
- Knowledge of P&L accountability and contract-managed service experience is desirable
- Registered Dietitian, Registered Diet Technician or Certified Dietary Manager certificate preferred
- Must be willing to participate in patient/resident satisfaction programs/activities
- ServSafe certified highly desirable

#### June 15 - 16, 2021

All UC Davis students and alumni can become job-search pros with our specialized two-day intensive virtual series via Zoom:

##### Tuesday, June 15

Check our [online calendar](#) for specific times and for links to RSVP and receive Zoom meeting details.

##### [Launch an Effective Job Search](#) 9:00 a.m.

Learn how to plan and implement your job search during a pandemic and beyond. Gain a realistic view of the process and discover a variety of job search resources and strategies.

##### [Get Your Resume Noticed](#) 10:10 a.m.

Get tips on job-specific resume content and formatting, and gain insight into personal qualities and skills that can be part of your "professional brand." Learn how to master the online resume submission process.

##### [Keys to Writing a Winning Cover Letter](#) 11:20 a.m.

Elevate your job search with effective cover letters and other professional correspondence including email messages, and thank you notes.
